### Background:

Since 2011 UNFPA Turkey has been actively involved in the humanitarian response to the Syrian crisis within the framework of the government endorsed UN Regional Refugee and Resilience Plan (3RP) to refugees in Turkey and displaced people inside Northern Syria within the framework of the Whole of Syria.

In line with its mandate, UNFPA will work on protection needs of under risk/underserved refugees enabling them to meet their vital protection needs and contribute to strengthening protection service mechanisms. Programme will aim to increase access of key refugee groups to protection services including other basic services through reducing barriers in service provision. Outreach and individual protection assistance including psychosocial support to refugee key groups will be provided through 5 service units targeting Istanbul, Ankara, Eskisehir, Mersin, Izmir, Adana, Denizli, Yalova and Hatay. During the period synergies and linkages will be established between the SRH component of the Country Programme and Humanitarian Programme in terms of existing programmatic experience, capacity, tools, networks and supported NGOs under the regarding key population groups.

To strengthen and support its field operations UNFPA will be hiring a Key Refugees Associate to support programme implementation and monitoring in target provinces.

### Major Activities/Expected Results:

Under the overall management of the Humanitarian Programme Coordinator, with technical guidance of SRH Programme Analyst and under direct supervision of the relevant Regional Programme Manager, the Key Refugee Associate will contribute to the implementation of UNFPA programme in the assigned provinces according to the approved work plans and UNFPA programme procedures. The Key Refugees Associate will also assist in the creation of substantive knowledge by compiling, synthesizing and analyzing information relevant to population and development, reproductive health and gender issues with regards to key groups.
